

# UK PRODUCT RETURNS FORM

We are sorry your product is not functioning as it should - our goal is to have you up and running as quickly as possible. Please use this form to accompany your return where instructed by one of the Hawke Customer Service team. Please do not return any product without a Returns Authorisation number. **Please note we cannot return items to locations outside the UK.**

## SHIPPING INSTRUCTIONS

Please remove all accessories including straps, mounts, instructions, lens cloths etc as these cannot be returned to you. Lens covers can be left on to aid protection during shipping. Package your product in a secure corrugated cardboard outer box for protection. The product box alone is not a suitable shipping box. Please write your Returns Authorisation Number on the outer box or shipping label.
